What is Alpha?
Alpha is a free 11 week course that explores 15 of life's biggest questions through a weekly meal, engaging talk, and open group discussion. Questions about life and faith are something most people carry. Alpha creates a space where those questions can be explored openly, without pressure or expectation. At HPAC, Alpha will be held in various homes in the Windsor / Essex area. This course is for those who do not yet know Jesus or are curious about faith. We encourage you to invite your neighbour, friend, or co-worker! You can share this QR code or grab an invite card from the welcome desk.
