

**1 Peter 2:9**

But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of him who called you out of darkness into his wonderful light.

## Spiritual Disciplines

### THE CHURCH

For the next few months we will do a deep dive into the discipline we will call 'the church'. We will look at the church as God's chosen people and holy nation, view the church as a body working together and see the relationships we are to build: a family & genuine friendships.

The church includes having relationships and also responsibilities. What does it mean to be part of the church? How do we each do our part as the body of Christ and find our God given role in it?

Follow along on our social media and on the Women's Page of our Website.

## 1 & 2 Peter Series

### READ THE WORD

Hopefully everyone has been able to read through 1/2 Peter, make it out on a Sunday for this series, or journal through it.

A few things to watch for in this book:

Repeated Words or Phrases, like 'imperishable'  
The Identity & Lifestyle of God's People  
Themes, like Suffering, Hope...

What stands out to you as you read? Share it with someone else - this encourages growth and understanding for everyone!

We are a loving family,  
united under Christ,  
building the family of God by  
making disciples everywhere.
