Kids' Camp 2023 Update

This summer was fantastic. We had many new kids as well as children who attend yearly because they enjoy it so much! It was amazing to see the staff loving on the kids so well and teaching and modeling the love of Christ. We had multiple children accept Jesus as their Lord and Saviour, we were able to hand out many Bibles to children who were asking great questions and curious about faith, we had many great conversations and could see that kids were really leaning into learning about who Jesus is. We were able to bless many children and families with a week of camp that otherwise would not have been able to afford it. That is because our church family gave so sacrificially. Thank you!
