Beginnings Sermon Series and Study Groups

On October 12th we start a new sermon series called "Beginnings". This series will take us through the first five books of the Old Testament over the course of 16 weeks. We encourage you to follow along in your Bibles. Reading for the first week, starting October 6th, is Genesis 1:1-14:24. We will be using the New Living Translation in the sermons. The Immerse style books which present these same scriptures in a modern easy-to-read format have been delayed in shipment due to the Canada Post Strike. We are still accepting orders at \$15, either by cash or debit at the Welcome Desk, or through the church website as below. We will let you know as soon as the books arrive.

We also encourage you to join an Immerse "Beginnings" study group during this series. Groups will meet at various times on Sunday mornings, through the week and online. To register for a study and/or to purchase a book, visit the registration page at hpac.org.

An audio version of the Immerse reader is also available on Spotify and Apple Music.

School of Ministry - How I'm Wired

How I'm Wired is a class that explores the unique way God has made each of us, including our motivations and core strengths. We will also look at the manner in which we and those around us, uniquely handle conflict. On October 11th from 9AM-12:30PM in the Chapel, we will discover how our core motivations should lead us to find our security, acceptance and significance in Christ. We will better understand how to improve how we deal with conflict, and to appreciate the unique wiring God has given others we work, live and interact with. To register, visit hpac.org/som. *This class is also part of the membership course.*

Student Shirts - Still Available!
